Mohammed   2025-11-16 11:32:37 UTC   Description [reply] [−]

```
Steps to Reproduce:
        1.      Navigate to: https://academybugs.com/store/
        2.      On the right sidebar, open "Select a Currency".
        3.      Change currency from USD to another option (EUR, GBP, JPY).
        4.      Observe product prices.

Expected Result:
Product prices should update to the selected currency with correct symbol.

Actual Result:
Prices stay in USD and do not change.

Environment:
        •       Device: iPad
        •       Browser: Safari
        •       OS: iPadOS
```

```
Steps to Reproduce:
        1.      Go to https://academybugs.com/store/
        2.      Locate the "PRODUCT SEARCH" bar on the right sidebar.
        3.      Type any valid keyword such as:
        •       tshirt
        •       flamingo
        •       shirt
        4.      Click on the "Search" button.

Expected Result:
Products matching the search keyword (e.g., Flamingo TSHIRT) should appear.

Actual Result:
Search returns 0 results even though matching products exist.

Environment:
        •       Device: iPad
        •       Browser: Safari
        •       OS: iPadOS
```

Mohammed   2025-11-16 12:22:15 UTC   Description [reply] [−]

Steps to Reproduce:
    1.   Visit https://academybugs.com/store/
    2.   Scroll through the product list.
    3.   Observe the price formatting for each item.

Expected Result:
All product prices should follow a consistent format (e.g., always two decimals or none).

Actual Result:
Examples of inconsistency:
    •   Flamingo TSHIRT → $15.14
    •   DNK Yellow Shoes → $45.00
    •   Dark Grey Jeans → $46.00
Some items show trailing zeros while others do not.

Environment:
    •   Device: iPad
    •   Browser: Safari
    •   OS: iPadOS
